Drive Recorder 360 App

The Mercedes-Benz Drive Recorder 360 App enables convenient access to your data and settings. All recordings can be saved on the mobile device.

You can download the app for free on the Apple App Store or Google Play Store.

General Product Information

- **The all-new Mercedes-Benz Dashcam**
  Equipped with a built-in memory card (SD Card) of 64 GB.
- **Front and Rear Cameras:**
  The all-new Mercedes-Benz Dashcam includes both front and rear cameras.
- **SD Card Slot:** Located within the front camera.

Designed for safety

- The all-new Mercedes-Benz Dashcam operation consists of three cameras capable of recording video in all directions. Covers large spaces both outside and inside your vehicle.
- **Parking Mode:** While the vehicle is parked, and the engine is turned off, cameras are in standby mode with the Intelligent power management system, which are ready to detect motion and will activate three cameras when motion is detected.
- **With activated parking surveillance**:
  - Detected motion will wake up the camera.
  - Coverage of all events ahead of a potential impact or incident can be ensured.

Every journey, on record

- **The Mercedes-Benz Drive Recorder 360**: The excellence integrated solution for recording every event around the vehicle: accidents, insurance fraud attempts, or other incidents in road traffic. Moreover, you can retain memories of a journey. This app is exclusively designed for Mercedes-Benz.
- **Driving Mode**: The Mercedes-Benz Driver Recorder 360 records events during the ride in the front, left/right side, and at the back of the vehicle through QHD, Surround-QHD, and Rear FHD cameras.
- **Visual Appearance**: The all-new Mercedes-Benz Dashcam is fully integrated into the vehicle without visible cables or jury-rigged connectivity.
- **Guarantee**: Full coverage by the Mercedes-Benz warranty upto two years.*
