Keeping Mzansi Moving

Across busy cities, townships and rural roads, the Sprinter Inkanyezi XL plays a vital role in keeping Mzansi on the move. Built with Mercedes-Benz precision, it offers the reliability, fuel efficiency and everyday toughness that operators depend on. Passengers enjoy a comfortable, secure ride, while drivers benefit from a spacious cabin and performance that stays strong over time. It's a vehicle designed to go the distance and to keep South Africans moving safely, efficiently and confidently.

Command Every Journey

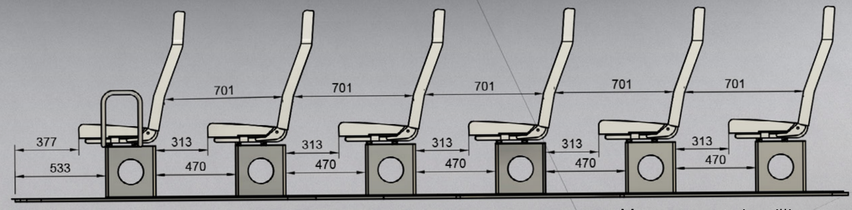

Designed to keep drivers comfortable and focused, the Sprinter Inkanyezi XL's front interior blends smart ergonomics with robust practicality. A neatly arranged dashboard puts key controls within easy reach, reducing distractions and supporting smooth, safe driving on busy routes. Supportive seating, ample legroom and well-placed storage make long hours easier, creating a purpose-built driver environment that elevates everyday travel.

Comfort Built for the Long Road

The Sprinter Inkanyezi XL's rear interior is built for comfort on long, busy routes. High-back seats reduce fatigue, generous legroom keeps rides relaxed and large windows improve airflow and visibility. Durable, easy-clean materials handle daily use. Designed for South African travellers and terrain, it seats 22 passengers plus a driver with luggage. Automotive-grade fabric and insulated, fire-resistant felt enhance durability, temperature control and noise reduction. Wherever the journey leads, the Inkanyezi XL delivers a smoother, quieter ride.

Measurements in millimetres

A comfortable conversion.

With seating for up to 22 passengers, the Sprinter delivers comfort without compromise. Thoughtful seat spacing, wide aisles and an intelligently designed cabin ensure every passenger enjoys a relaxed and roomy experience. The fixed 22-seat layout is engineered for maximum comfort and practicality on every journey.

Control In Every Gear

The Sprinter Inkanyezi's 6-speed ECO Gear manual transmission delivers smooth shifts, improved fuel efficiency and confident control on every trip, built for SA roads and smart on running costs.

Power When You Need It

Convenient front USB ports keep devices charged and passengers connected throughout the journey, essential for long days on the road.

Smart Lighting for Safer Driving

Automatic headlight control adjusts to changing conditions, improving visibility and helping drivers stay focused on the road ahead.

Step In With Confidence

A wide, durable entry step gives passengers a safer, more stable way to board and exit, making every stop smoother and more efficient.

Fingertip Convenience

Electric windows and central locking offer smooth, simple operation for both driver and passengers, enhancing comfort and convenience on every route.

Purpose Built for the Journey

Electric windows and central locking offer smooth, simple operation for both driver and passengers, while overhead storage rails and integrated roof lighting keep the cabin organised, bright and comfortable on every route.

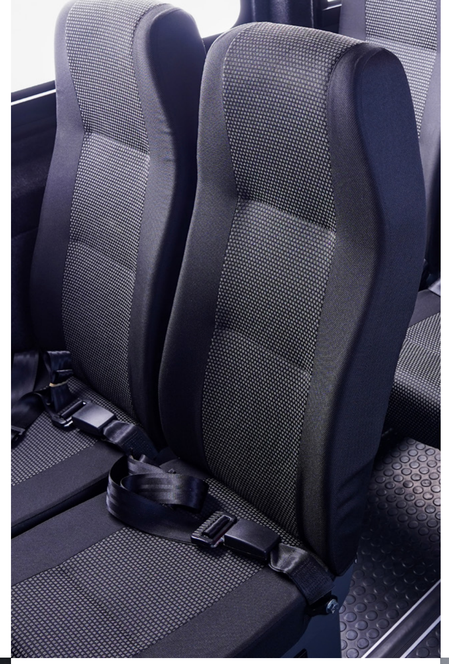

Built to Handle the Load

A reinforced rear step with a durable, anti-slip surface offers secure footing for loading and boarding, even during peak-hour traffic. Designed to withstand constant use, it delivers the strength and stability needed to keep your Sprinter Inkanyezi XL operating smoothly on every route.

Engineered for Everyday Demands

Supportive high-back seats and a spacious aisle ensure fast, effortless boarding on busy routes. Each seat includes a secure safety belt for added protection, keeping passenger flow smooth, organised and safe at every stop.

Secure Every Step

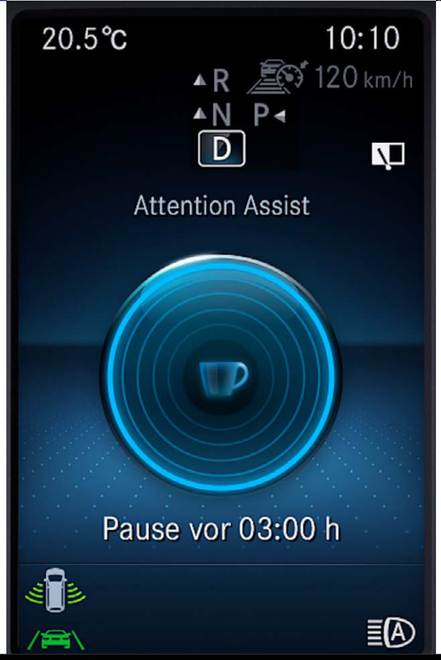

Bright, sturdy grab handles provide secure support for passengers when entering or exiting, enhancing safety and keeping traffic flow steady on even the busiest schedules.

Crosswind Assist

Crosswind Assist keeps your Sprinter Inkanyezi XL stable in sudden side winds, automatically correcting course for a smooth, secure ride, even at speed or with patients on board.

Attention Assist

Attention Assist monitors driving behaviour and detects fatigue, prompting rest before focus fades, helping drivers stay sharp on long, demanding roads.

Power You Can Count On

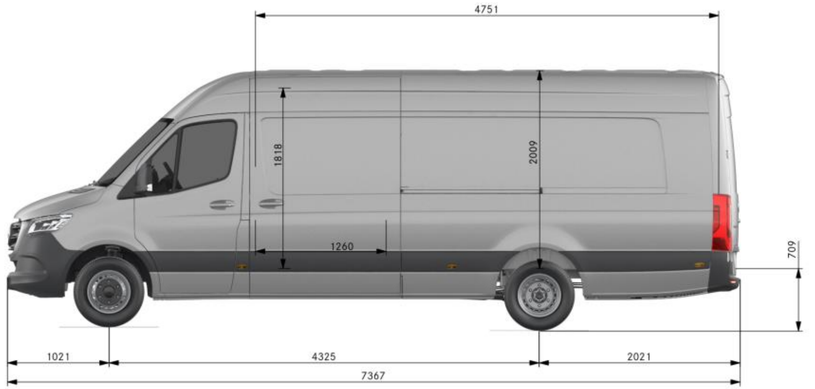

The Sprinter Inkanyezi's EURO 3 engine provides strong torque, dependable power delivery and a simplified mechanical layout built for durability and low running costs.
