Function fused with finesse.

The Vito Mixto Select redefines versatility with a seamless fusion of practicality and refined design. Built to adapt, it offers the perfect balance of spacious functionality and premium comfort. From its bold chromed radiator grille to the latest NTG7 MBUX multimedia system, every detail is crafted to elevate your drive. Whether for business or adventure, the Vito Mixto Select ensures you move with purpose and presence.

Selected for greatness.

More than a van, the Vito Tourer Select is a statement of refinement and versatility. Designed for those who expect more, it delivers exceptional comfort, intelligent technology and a bold presence on every journey. With its striking chromed radiator grille, spacious interior and the latest NTG7 MBUX multimedia system, it transforms every trip into an experience worth remembering. Whether for business or leisure, the Vito Tourer Select is your passport to unforgettable journeys.

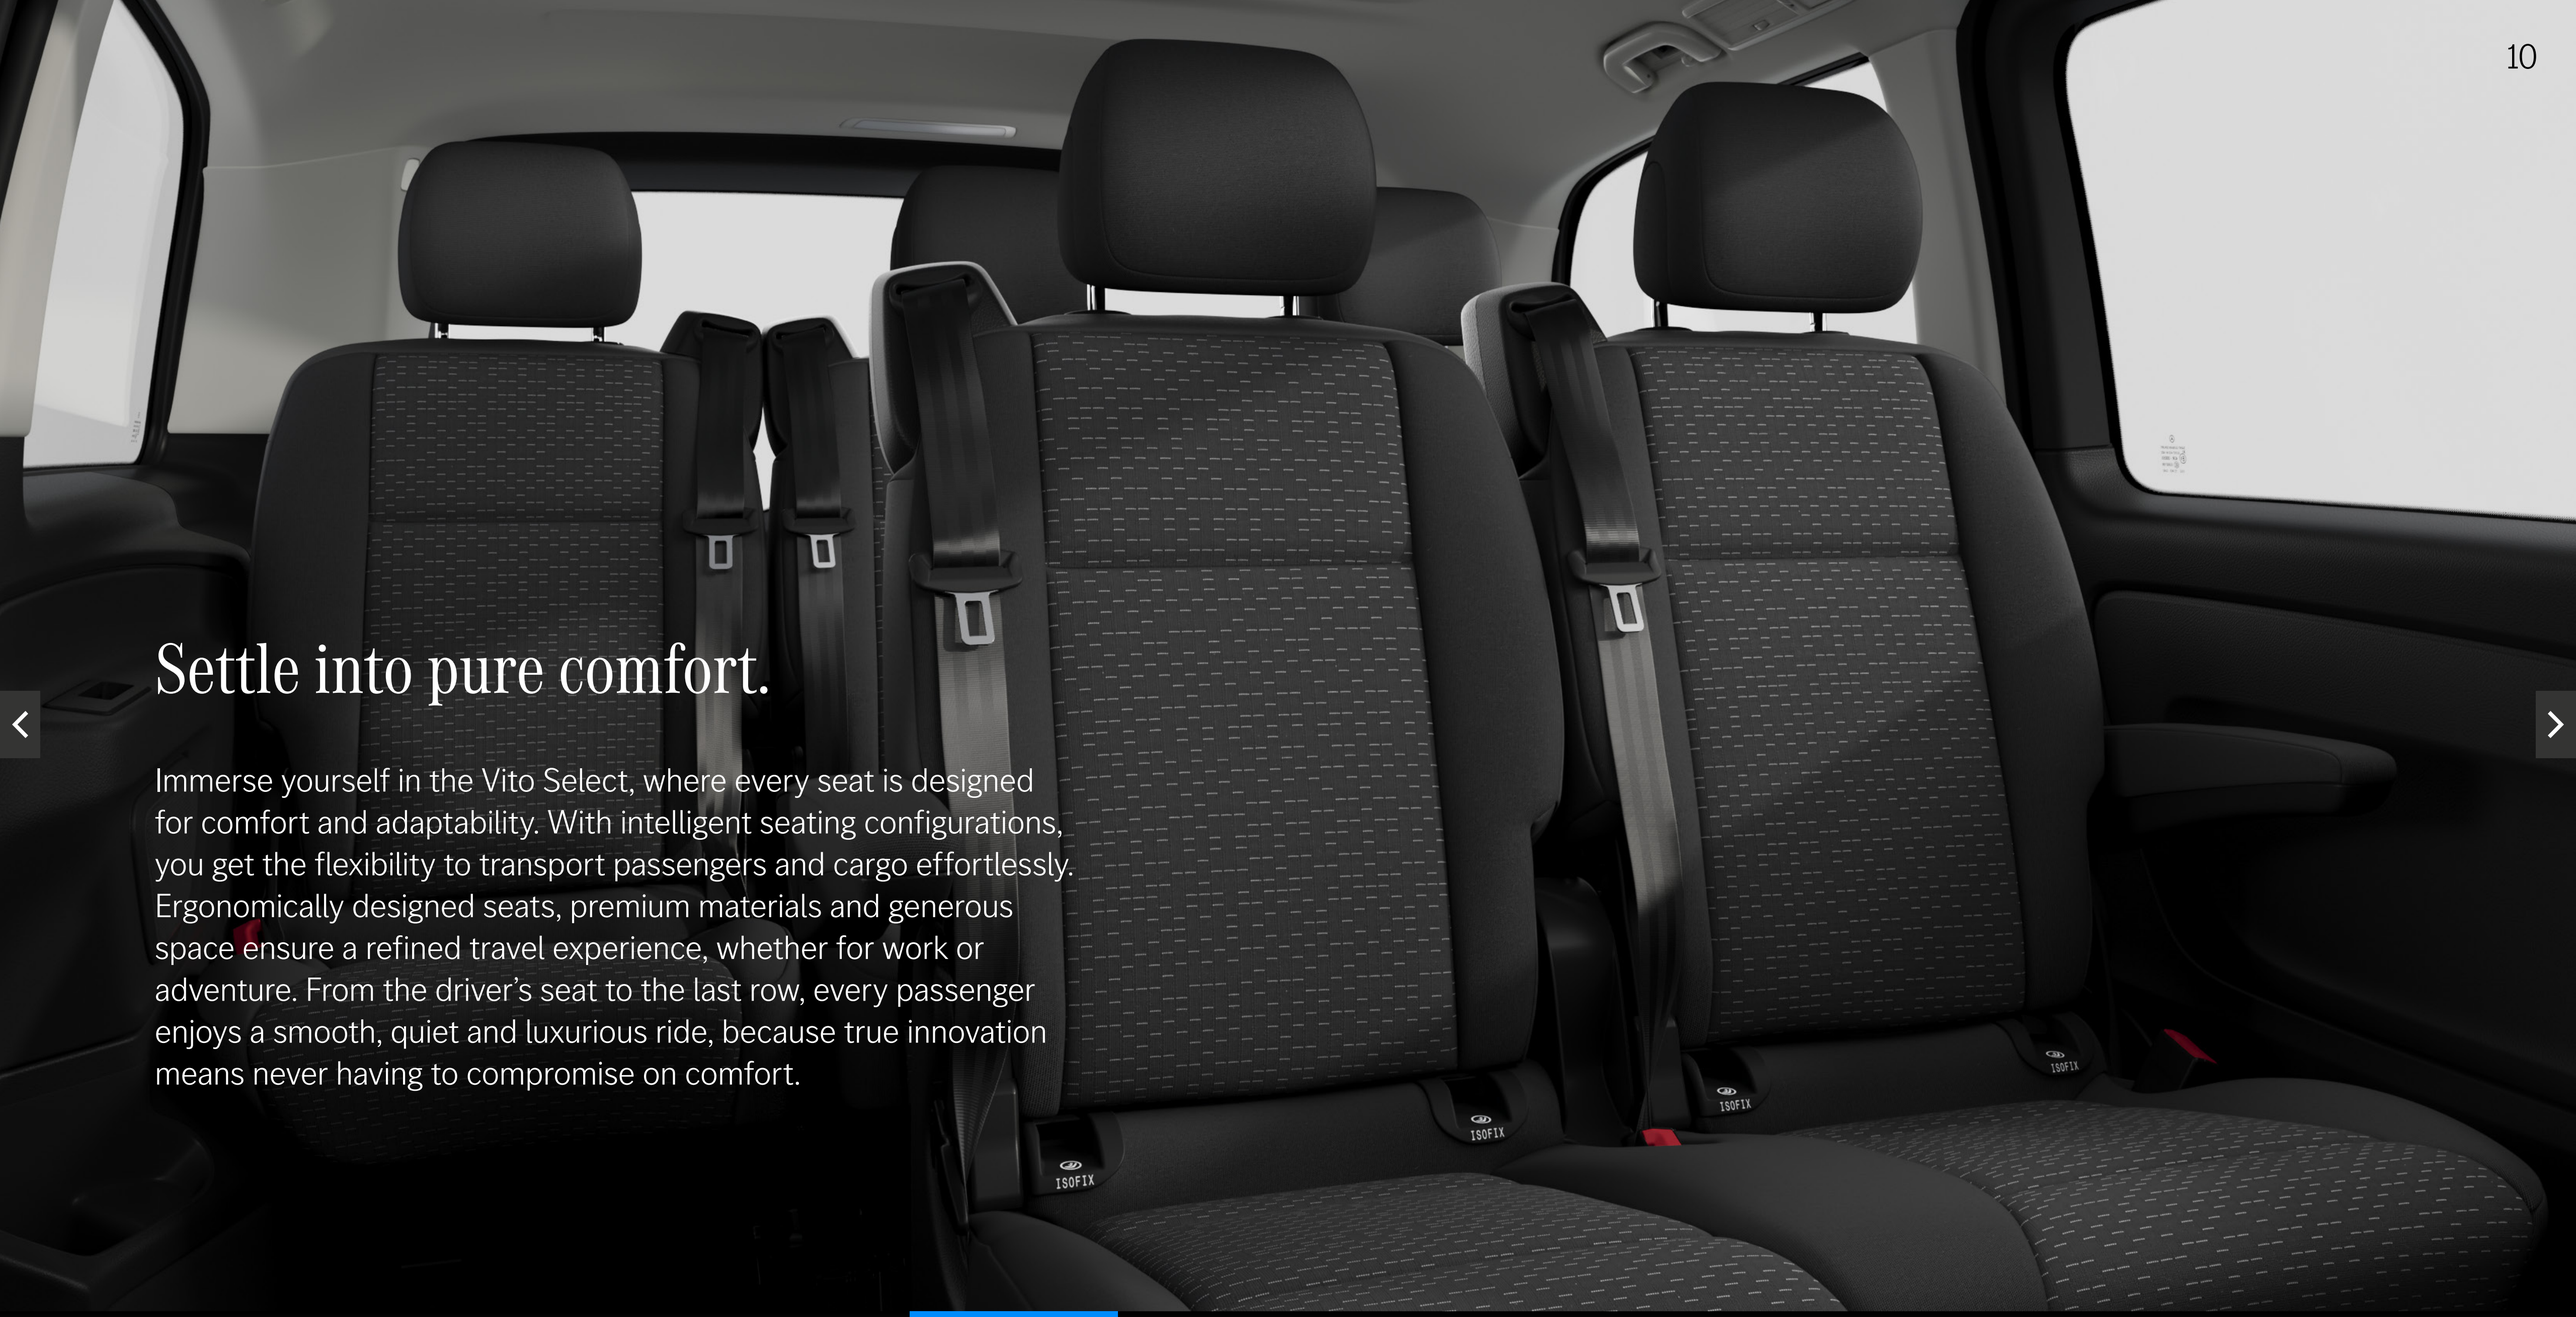

A fine selection.

Step inside the Vito Select, where modernity and practicality exist in perfect harmony. The newly designed air vents, next-generation steering wheel with touch-sensitive controls and Keyless Start function ensure effortless convenience, while Tempmatic semi automatic climate control creates the perfect cabin environment for every journey. Engineered for those who demand innovation, comfort and control, the Vito Select transforms every drive into an experience.

Intelligent. Intuitive. Innovative.

The latest NTG7 generation MBUX multimedia system transforms every journey with seamless connectivity, effortless control and also supports Android Auto and Apple CarPlay. Its stunning 10.25-inch touch display and crisp 5.5-inch colour TFT screen puts everything you need at your fingertips, delivering an experience that's as intuitive as it is powerful.

Settle into pure comfort.

Immerse yourself in the Vito Select, where every seat is designed for comfort and adaptability. With intelligent seating configurations, you get the flexibility to transport passengers and cargo effortlessly. Ergonomically designed seats, premium materials and generous space ensure a refined travel experience, whether for work or adventure. From the driver's seat to the last row, every passenger enjoys a smooth, quiet and luxurious ride, because true innovation means never having to compromise on comfort.

Design that demands attention.

The Vito Select makes a bold statement with a design that is as striking as it is sophisticated. Its chromed radiator grille exudes confidence, while the sleek lines and sculpted contours embody modern elegance. The advanced MULTIBEAM LED headlights with Highbeam Assist PLUS adapt intelligently to the road, ensuring optimal visibility without dazzling other drivers. Every detail is crafted for presence, performance and prestige, because true innovation shines inside and out.

Select the path less travelled.

The Vito Select redefines convenience with intelligent design and seamless innovation. Its sleek rear LED lights enhance visibility while making a bold statement on the road. The streamlined roof rails expand your carrying capacity without compromising aerodynamics or style. With the electric tailgate and electric-operated side doors, access is effortless, whether loading gear or welcoming passengers. Every detail is crafted to make your journey smoother, smarter and unmistakably premium.

Traffic Sign Package

Traffic Sign Assist **(JA9)** detects the traffic signs with the multifunction camera and compares them with the information from the digital road map of the navigation system. It supports you by showing detected speed restrictions and no-overtaking zones on the driver display.

Active Lane Keeping Assist

Active Lane Keeping Assist monitors the road and gently corrects your course if you drift, keeping you secure, confident, and always in control.

Emergency Call System

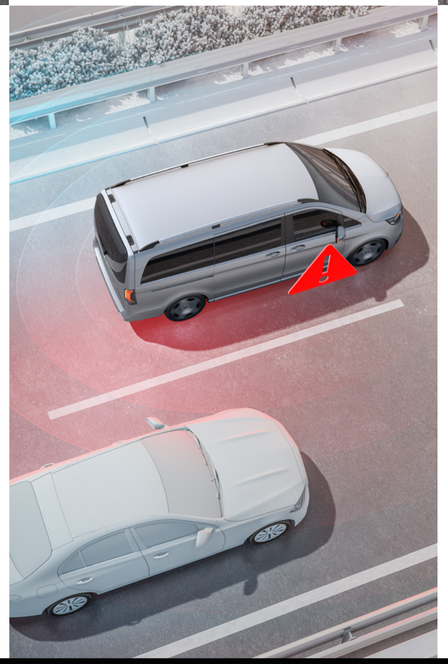

The Emergency Call System (EY5) ensures peace of mind with instant assistance at the push of a button. In the event of an accident, it automatically alerts emergency services because your safety is always the priority.

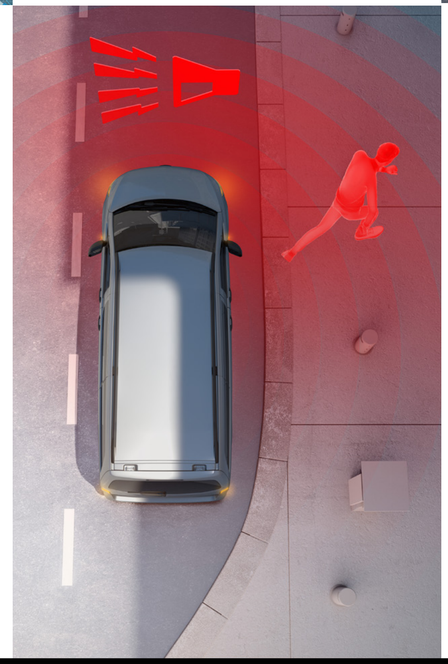

Parking Package with reversing camera

The Parking Package with a high-definition reversing camera gives you a clear, confident view, making every maneuver effortless. Smart sensors and visual aids ensure seamless parking, every time.

Blind Spot Assist

The Vito Select's Blind Spot Assist uses intelligent sensors to detect unseen hazards, alerting you when it matters most. Drive with confidence, awareness and peace of mind on every journey.

Anti-theft alarm system

The advanced anti-theft alarm system offers intelligent security, detecting unauthorised access and responding instantly. Peace of mind comes standard and your van deserves the best protection.

Wireless charging system

Wireless charging keeps your devices ready without the hassle of cables. Just place your phone down and stay effortlessly connected because innovation should be seamless.

Heated Steering wheel

The Vito Select's heated steering wheel adds a touch of luxury and comfort, keeping your hands warm on cold days. Every drive should feel effortless.

EASY-PACK Tailgate

An electric tailgate opens with ease at the touch of a button, making loading and unloading seamless and convenient because innovation should work for you.

Electric sliding doors

The Vito Select's electric side doors glide open effortlessly, offering seamless entry with just a touch. Every journey should start with ease.

Electric seats control function

With electric seat controls, finding your ideal seating position is quick, intuitive and seamless, ensuring every drive is a first-class experience.

MULTIBEAM LED headlights

The Vito Select's MULTIBEAM LED headlights with Highbeam Assist PLUS adapt dynamically to the road, delivering precision illumination without dazzling others. Smarter, brighter and designed for maximum visibility.
